

INVITATION TO SEMINAR

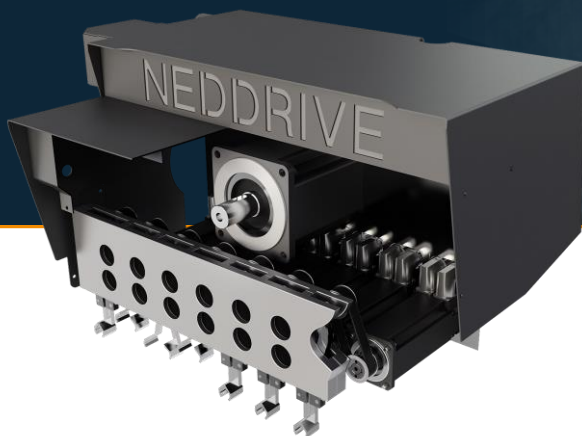

English Training Seminar on "Tooling and process development"

April 23-25, 2024

Metal forming technology

From theory to practice

NEDFORM ACADEMY

Metal forming technology: From theory to practice

DAY 1

- 09:00 Welcome and introduction of Nedform Academy
- 09:30 Machining versus cold forming
- 10:30 Break
- 11:00 Materials
- 12:30 Lunch
- 13:30 Flow curves
- 15:15 Break
- 15:45 Basic information cold forming processes
- 17:00 Conclusion day 1

DAY 2

- 09:00 Basic information cold forming processes
- 10:15 Break
- 10:45 Group work
- 11:30 Prestressing of dies
- 12:30 Lunch
- 13:30 Prestressing of dies
- 15:00 Break
- 15:30 Machine kinematics – Hybrid machines
- 16:15 Machine NC714
- 17:00 Plant tour

DAY 3

- 09:00 Progression development and tool materials
- 10:15 Break
- 10:45 Tool design and tool examples
- 12:00 Evaluation and certificate
- 12:30 Lunch

Seminar materials

- Handbook
 - Access Online-Tool OptiDie
- Participants will receive a one-year free access to our unique calculation program developed by NedSchroef Herentals.

With certificate of participation

- English

All round service package

Comprising :

- 3 x hotel reservation
- 3 x lunch and dinner
- Transport from hotel to Nedform academy
- Travel costs are not included.

Meeting location

- Nedform Academy is located at:
NedSchroef Herentals NV
Brigandsstraat 10
B-2200 Herentals, Belgium.

Costs

- All-in attendance as described above :
€ 2500 (without VAT)

Registration

- Please send an e-mail to
Nedformacademy@nedSchroef.com

Contact persons

- Griet Wuyts, practical organization
E-Mail: nedformacademy@nedSchroef.com
Tel.: +32 14 257106
- René Hop, Director Academy / Trainer
E-Mail: rene.hop@nedSchroef.com
